

Optimist International Foundation Recognition for Optimist Clubs and Members

Annual Club Recognition

Year Bars and Dollar tabs are presented to Clubs who have accumulated at least \$10 per member within one Optimist Year. These Year Bars and Dollar tabs are presented to Clubs during the 2nd Quarter District meeting after the close of the Optimist administrative year. (*Dollar tabs are calculated based on the total amount received from the Club and its Members and then divided by the number of Club Members on October 1.*)
